**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let customers choose, not corporations. The FCC must continue allowing access to critical unbundled network elements for smaller companies. In an era of increased consolidation of communication providers, it's more important than ever that we allow access so customers have a choice. Stop handing over all of our critical infrastructure to a single corporation.
